- ⇒ PEOPLE ARE YOUR GREATEST ASSET
(and the most unpredictable part of your business)
- ⇒ CONFIDENTLY SELECT, ENGAGE & RETAIN GREAT PEOPLE
(build “I love my job” culture and get better results through people)
- ⇒ GET IT RIGHT FIRST TIME EVERY TIME
(with our expert guidance, 1-1 coaching and comprehensive, relevant & actionable psychometric assessments, developed and validated by industry leaders)

Does this sound familiar?

- ⇒ People interview well, but don't turn out to be a good fit or don't perform.
- ⇒ Employees don't live up to their potential.
- ⇒ New teams struggle to gel & collaborate.
- ⇒ Investments in onboarding or leadership training don't produce desired results.

The truth is:

- ✗ CV's, gut feel & past experiences just don't cut it anymore.
- ✗ Most solutions like personality tests & management trainings are too generic, too expensive or too complicated.
- ✗ It's not affordable or sustainable.

We help you:

- ✓ **SELECT:** Predict job performance during interviews, promotions or succession planning.
- ✓ **ENGAGE:** Optimize communication during onboarding, career pathing & leadership development
- ✓ **RETAIN:** Maximize the potential of existing talent during career pathing, performance reviews, leadership development & succession planning.

Our clients' results include:

- ✓ 40-300% reduction turnover in the first year
- ✓ \$2-8M saved in hiring cost
- ✓ Improved culture, job satisfaction & retention
- ✓ 28-500% increase in annual sales

- ⇒ Great People Management, a minority owned, certified Woman-Owned Business Enterprise, is a talent assessment consulting company located WI and FL and serving organizations nationwide as well as those with global operations.
- ⇒ With over 20 years of business, corporate and international experience, we are experts at understanding and solving complex people challenges in the workplace. We exist to provide companies with tools they need to make better human decisions in the ever-evolving workplace.
- ⇒ We helped over 1,000 organizations across the US, Canada, Europe and Asia coach and develop their leaders and establish a sustainable and cost-effective system to SELECT, RETAIN and DEVELOP THE RIGHT PEOPLE.
